Scholarship**

This is an opportunity for additional scholarship funds for your family. There is no limit on the number of times a student may apply for a scholarship.. Scholarships are not automatically renewed each year. Students must reapply annually.

The scholarship fund is a needs-based fund, but the student must be performing to his/her potential. Scholarships generally range from \$100 - \$500. If you would like an application, call the school office at 288-0580 and we will send one home.
